

To be admitted to the qualification, a student must:

- (a) satisfy the Admission Regulations for admission to the University; and
- (b) satisfy the Admission Regulations for admission to both component degrees
- (c) either:
 - i. attain either an overall Merit or Excellence Endorsement in their Level 3 National Certificate in Educational Attainment (NCEA) qualification prior to enrolling at the University; or
 - ii. attain a Grade Point Average of at least 6.0 in their previous semester of study and have completed no more than 270 points towards either component degree if transferring to this degree from either of the component degrees; or
 - iii. been granted Academic Equivalent Standing for one of the above; and
 - iv. been approved by the Amo Matua, Pūhanga | Executive Dean of Engineering or delegate.

The subjects are the disciplines, majors, minors in the Bachelor of Engineering with Honours and the Bachelor of Social and Environmental Sustainability.

This qualification adheres to the General Conditions for Credit Regulations for 675-point conjoint qualifications, with a time limit of 10 years.

This qualification adheres to the Credit Recognition and Transfer Regulations with the following additional stipulations:

- (a) A maximum of 60 points may be credited to a conjoint combination from a previously completed degree.
- (b) In all circumstances, a conjoint degree's combination must include at least 300 points in BE(Hons) above 100-level and 180 points in the non-engineering degree completed at the Te Whare Wānanga o Waitaha | University of Canterbury.

This qualification adheres to the General Regulations with the following additional stipulations:

- (a) A student must maintain an overall GPA of 6.0 to qualify for overload and a GPA of 5.0 to remain in the qualification.
- (b) A student must enrol in at least one course for each of the component degrees each year unless the requirements of one component degree have already been completed.
- (c) A student may elect to abandon the qualification and continue in either one of the component bachelor's degrees.

This qualification adheres to the General Regulations with the following additional stipulations:

- (a) The BE(Hons) may be awarded with First, Second, or with Third Class Honours. Second Class Honours must be listed in Division I or Division II.
- (b) Honours is awarded for academic achievement, measured by weighted GPA, 20% weighting on the 300-level Engineering subjects and 80% on the 400-level Engineering subjects, and completion of requirements within the time limitations of the conjoint degree. Where students have completed courses on exchange, these grades will be used in the calculation of honours. Only the first attempt of a course, or its substitute, will be considered in the calculation.
- (c) Those candidates not eligible for First or Second Class Honours, but having met all requirements of the degree, will be eligible for the award of Third Class Honours.
- (d) In exceptional circumstances a student may be permitted by the Amo Matua, Pūhanga | Executive Dean of Engineering or delegate to complete all the requirements, both academic and non-academic, of the award outside the time limitation. In such circumstances the student will not attain Honours for Engineering.

10. A student who wishes to abandon the qualification, or fails to maintain the required GPA, may transfer to either one or both of the component bachelor degrees; in which case the regulations for each separate degree will apply.
