 2. Where degree regulations make provision for entry and/or credit for specified tertiary courses, an application for ad eundem statum credit is not required. Applicants should write to the Admissions Officer for information on how to apply.
 3. For the prescribed fee for credit ad eundem statum see the Schedule of Fees.
2. A person who has gained academic qualifications at a secondary school level outside New Zealand or non-NCEA secondary qualifications at any educational institution in New Zealand may be admitted ad eundem statum ("with equivalent standing") as a candidate for a degree or other qualification with such standing as the Academic Board may determine.
- (a) Notwithstanding the above, in exceptional circumstances a person who has not yet completed such a qualification but on the assessment of the Academic Board is considered to have achieved preparation of equivalent status, may be granted

admission ad eundem statum. In such cases continued enrolment might be conditional on passing such courses as the Academic Board may determine.

3. A student admitted ad eundem statum with the status of a holder of a degree or other academic award is deemed to satisfy any academic requirement which a holder of this award may satisfy, but not to be a holder of this award.

If entrance is not gained, the student may continue with the course and if successful will be credited with the course when eligibility to enrol at the University is achieved.

An application may be made only after consulting

normally looks for good Sixth Form Certificate grades in relevant subjects as well as evidence of maturity and motivation.

Further information, regulations and application forms may be obtained from the nearest secondary school or University Liaison Office. Applications with the fee (\$60.00) must be made not later than 1 December.

Note: For the 2004 to 2007 academic years, the Provisional Entrance Regulations will be operated parallel with the Discretionary Entrance Regulations (Regulation E) which have been introduced for students with NCEA credits. When NCEA is fully implemented students will no longer be eligible for Provisional Entry, and the Provisional Entrance regulations will be replaced by the Discretionary Entrance Regulations.

F. Discretionary Entrance

These regulations are applicable to New Zealand citizens and permanent residents who are under 20 years of age and who are not otherwise qualified to enrol for an undergraduate degree qualification.

may continue with the course and if successful will be credited with the course when eligibility to enrol at the University is achieved.

G. Special Admission

Students under 20 years of age:

In exceptional cases, New Zealand citizens or permanent residents, who do not hold a university entrance qualification and who will not be 20 years of age by the first day of a semester for which admission is sought, may apply for special permission to enter the University. In assessing whether to grant special admission in particular cases, the Academic Board will consider:
