Notes

- There is no f at fee or fee cap at either undergraduate or postgraduate level. Students pay for exactly the courses they choose to take, whether that is less or more than 10 EFTS
- 2 Fees are not charged by degree code, but by subject band. For example:
 - (a) If a student is enrolled in a Bachelor of Arts and chooses to take a Physics course outside of the BA Schedule, they will pay proportionally more for that course because Physics is in a higher band.
 - (b) If a student is enrolled in a Bachelor of Science and chooses to take a Pacific Studies course from the BA Schedule, they will pay proportionally less for that course because Pacific Studies is in a lower band.
