- in the range 4.00-6.99. The calculation of GPA for the purposes of Honours may involve a selection of course material from the degree programme, and special weightings may apply. Master's degrees may be awarded with Distinction or Merit, as specified in individual award regulations. College Offices (or in the case of Law, the School Office) will be able to provide more information on how the calculations are made in the case of any specific degree or subject, and they will also be able to provide information on how Second Class Honours is divided into Divisions One and Two, and how Third Class Honours (if it exists) is determined.
- 3 Unless an exception has been approved, all f nal undergraduate grades for S1occurrences and other relevant courses offered within the f rst semester period shall be submitted to the Registrar by 5pm on the Wednesday preceding the f rst teaching week of the second semester (S2).
