The Degree of Master of Commerce (MCom)

See also General Course and Examination Regulations.

1. Qualifications Required to Enrol in the Degree

Every candidate for the Degree of Master of Commerce in a given subject, before enrolling in a course of study for this degree, shall have:

- been approved as a candidate for the degree by the Dean of Commerce and either:
- qualified for a degree of this university or been admitted ad eundem statum as a holder of such a degree, and satisfied the prerequisites for the subject as specified in the schedule to these regulations and for such other courses as the Heads of Departments concerned may require.

No candidate shall enrol for Part I of the degree in any subject for the degree in which he or she has already qualified for the award of one of the following degrees: Bachelor of Science with Honours, Master of Science, Bachelor of Arts with Honours, Master of Arts, Bachelor of Commerce with Honours.

Note: Relevance and standard of undergraduate studies are the main criteria for approval.

2. Structure and the Requirements of the Degree

The candidate must complete courses totalling a minimum of 1.5 EFTS (180 points) including a dissertation or thesis, unless the candidate qualifies under Regulation 6 for the MCom by thesis only (1.0 EFTS; 120 points). A dissertation is equivalent to courses totalling 0.5 EFTS (60 points). A thesis is equivalent to courses totalling 0.75 EFTS (90 points) or 1.0 EFTS (120 points). The candidate must also fulfil the specific requirements of his/her chosen major. See the Schedule to the Regulations for the Degree of Master of Commerce.

3. Examination for the Degree

An examination for the degree shall comprise such combination of courses and other written work as may be prescribed for the subject offered.

No candidate for the degree shall graduate who has failed more than one of the courses offered.

4. Courses from Other Majors

A candidate may, with the approval of the Heads of departments concerned, replace up to 0.50 EFTS (60 points) in courses prescribed for the major with courses prescribed in another major or majors for a Master's degree or at an equivalent level for an Honours degree. Specific limits on the replacement of courses prescribed for the major may be specified in the Schedule to the Regulations for the Degree of Master of Commerce. If these specific limits differ from the limits given in Regulation 5, then the more restrictive of the two shall apply.

5. Candidates with a Bachelor's degree with Honours in an approved subject

A candidate who has qualified for the award of a Bachelor's degree with Honours, or the equivalent, in a relevant major may, subject to approval of the Head of Department and Dean of Commerce, complete an MCom degree in the same major by submission of a 1.0 EFTS (120 point) thesis of that subject and, if prescribed, an oral examination.

6. Dissertation and Thesis Requirements

The following conditions shall apply to the preparation and presentation of a thesis:

- The presentation of the thesis shall conform to the requirements of the General Course and Examination Regulations, Part L, and shall be submitted in accordance with this regulation.
- The thesis shall describe the work done by the candidate in an investigation in a subject approved by the Head of Department. The

investigation shall be carried out by the candidate under the direct supervision of a university teacher.

- iii. The candidate shall submit the dissertation or thesis by the date specified by the relevant Head of Department or the Dean of Commerce. A dissertation shall be submitted to the relevant Head of Department, whereas a thesis shall be submitted to the Postgraduate Office.
- iv. A dissertation shall be assessed by two internal examiners and one of the examiners may be the candidate's supervisor. A thesis shall be assessed by one internal examiner, who cannot be the candidate's supervisor, and one external examiner.
- v. Examiners should take into account the following when recommending a grade for a dissertation or thesis. For both a dissertation and a thesis, examiners should consider the extent to which the candidate has (1) demonstrated higher level in-depth knowledge and understanding of contemporary thought and developments within his/her specific research area; (2) evaluated the implications of his/her research findings for the wider body of relevant academic literature; (3) shown a sound understanding of ethical practice; and (4) synthesised academic literature and communicated research findings in a manner consistent with academics working in his/her chosen discipline. In addition, academic departments may provide examiners with

guidelines on the grading of a dissertation or thesis that are specific to (1) the candidate's chosen discipline and (2) the EFTS (points) value of the dissertation or thesis.
