- Only students who are currently in the advertised year groups can enter the competitions. There are no exceptions to this rule.
- 17th May 2024.
- – 17th June – 26th July 2024 (School term only).
- 2nd August 2024.
- 9th September 2024 – 27th September 2024.
- Coordinators log-in and download these and distribute to the students (Coordinators will be emailed when these are available for downloading).
- are
  – Answers automatic submit, once the time has expired or the students end their session.
  - – If the student would normally

The on-line Kiwi Competition assessments MUST be administered on a desktop computer, laptop, Chromebook or iPads. All users should have more than one browser on their device.

There may be some drag and drop questions included in the competition. If your students are not confident using the trackpad on a Chromebook or similar then we would recommend the use of a mouse.

Use of the on-line KIWI Competition assessments requires a
and a   .

The assessments will work in any modern web browser. However, the following browsers work best:

- Google Chrome
- Firefox
- Microsoft Edge
- Safari

The browser should also have both cookies and JavaScript enabled. These are typically enabled
